## **White Construction Group Starts New Year with Several New Projects**

*CASTLE ROCK, Colo., Jan. 7, 2008* – White Construction Group, a Colorado-based commercial general construction firm, begins the new year with several new projects in the Denver Metro Area and across Colorado.

The Colorado School of Mines project in Golden involves a 15,000 sq-ft remodel to the Green Center. Improvements include mechanical and electrical upgrades, a three-stop elevator, and new finishes. The White Construction Group Project Team: Rodney Grabow, project manager; Doug Lee, superintendent; Suzie Thayer, project coordinator. Project partners include: Colorado School of Mines, owner; and Maynard/David Partnership, Inc., architect. The expected completion date is Aug. 2008.

The South Adams County Fire Station No. 8 project in Commerce City involves the 13,500 sq-ft construction of a new fire station. The White Construction Group Project Team: Karen Poole, project manager; Bill Davis, superintendent; Michelle Morris, project coordinator. Project partners include: South Adams County Fire Protection District, owner; Fennell Group, architect. The expected completion date is Oct. 2008.

-more-

The Grange at the Meadows project in Castle Rock involves an expansion to the pool complex. The White Construction Group Project Team: Doug Decker, project manager; Dana Hale, superintendent; Suzie Thayer, project coordinator. Project partners include: Castle Rock Development Company, owner; Scheuber+Darden Architects, LLC, architect. The expected completion date is July 2008.

Other projects across Colorado:

The Bloom House Mansion in Trinidad involves the exterior restoration and preservation of this early 1900's historic property. The White Construction Group Project Team: Rodney Grabow, project manager; Lisa Werdel, project coordinator. Project partners include: Colorado Historical Society, owner; and UNiT Design Studio, architect. The expected completion date is Mar. 2008.

The Deaconess Nazareth project in Brush involves a remodel the Eben Ezer Lutheran Health Care Center. The White Construction Group Project Team: Seth Noble, project manager; David Hitchcock, superintendent; Michelle Morris, project coordinator. Project partners include: Deaconess Nazareth, owner; and William Brummett Architects. The expected completion date is Apr. 2008.

"The ownership and our employees value the opportunities that these new clients have provided for our organization," said Tim White, president.

### **About White Construction Group**

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic restorations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along the Front Range, northern and northeastern Colorado. To date the company has completed nearly one half billion dollars in construction projects and has won several national awards for its job safety programs. White Construction Group can be reached at (303) 688-6924, or [www.whitecgroup.com](http://www.whitecgroup.com).
