White Construction Group Breaks Ground at CPN Investments Building in Castle Pines

CASTLE ROCK, Colo., Oct. 4, 2007 – White Construction Group, a Colorado-based commercial general construction firm, recently began work on the Castle Pines North (CPN) executive suites office building in Castle Rock.

This project is an 11,766 sq-ft two-story office building located off Interstate 25 and Castle Pines Parkway. The building is expected to be ready for tenant finish the first quarter of 2008 with spaces now available for lease, sized from small private suites to 8,000 sq-ft office space.

The White Construction Group Project Team:

- Gary Dominguez, project manager
- Paul Pappert, project superintendent
- Lisa Werdel, project coordinator.

Other project partners include:

- Owner: CPN Investments, LLC, Littleton, Colo.
- Architect: Ware Malcomb, Greenwood Village, Colo.

"We want to thank our Owner's for selecting us to build their project as it is a tribute to the performance of our excellent employee groups," said Tim White, president White Construction Group.
