White Construction Group Breaks Ground on Founders Village Pool and Community Center Project

CASTLE ROCK, Colo., Nov. 21, 2004 – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build, historic renovations and tenant improvement projects, today announced that it has broken ground on the Founders Village Pool and Community Center. Construction involves demolishing the existing pool and bathhouse building, and constructing a new 6,000-square-foot community center and two new pools – a wading pool and a competition pool. The project is valued at \$1.3 million, and is expected to be completed by July 2005.

Project partners include:

- Client: Founders Village Homeowners Association
- Architect: Jeff Swanson & Associates Architects, P.C.

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic renovations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along the Front Range and northeastern Colorado. To date, the company has completed more than \$300 million in construction projects and has won several national awards for its job safety programs. White Construction Group can be reached at (303) 688-6924, or www.whitecg.com.
