## White Construction Group Design-Build Clinic Addition Project Underway

*CASTLE ROCK, Colo., March 15, 2005* – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build, historic restorations and tenant improvement projects, has broken ground on the East Morgan County Hospital Clinic building addition. The 10,000-square-foot, design-build project is valued at \$1.6 million, and expected completion is September 2005.

Project partners include:

- Client: East Morgan County Hospital, Brush, Colo.
- Architect: Klump Brinkley Architecture, Golden, Colo.

### About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic restorations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along the Front Range and northeastern Colorado. To date, the company has completed more than \$350 million in construction projects and has won several national awards for its job safety programs. White Construction Group can be reached at (303) 688-6924, or [www.whitecg.com](http://www.whitecg.com).
