White Construction Group Adds New Staff Members

CASTLE ROCK, Colo., March 27, 2006 – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build, historic restorations and tenant improvement projects, announces the addition of new staff as the company has enjoyed significant growth over past year.

Vicky Salg, will be project manager for the North High School Exterior Rehabilitation project. She has a Bachelor of Science degree in Civil Engineering and seven years experience in general construction.

Bill Clement, Art Engel, Don Semingsen and Bill Yackanicz, are project superintendents for White Construction Group. Together they encompass more than 100 years of industry experience. Clement is superintendent for the U.S. Denver Mint Interior Renovation. Engel is superintendent for the Denver Public Schools Parent Project #3151 renovation and remodel of six schools. Semingsen is superintendent for the Baker Middle School renovation. Yackanicz is superintendent for several projects for the City and County of Denver.

Suzie Thayer and Chris Hardies are project coordinators. Thayer recently moved to the Denver area from Wheatland, Wyoming. She has over eight years experience in construction and will assist with Douglas County Government projects. Hardies is a recent graduate of Front Range Community College in Westminster with an Associate Degree in Construction Management. He will be located in the Brighton office.

Diane Beil is the marketing specialist/executive assistant. Beil was the communications/education manager for a non-profit association. She has a Bachelor of Arts in Technical Journalism from Colorado State University.

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic restorations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along the Front Range, northern and northeastern Colorado. To date, the company has completed more than \$400 million in construction projects and has won several national awards for its job safety programs. White Construction Group can be reached at (303) 688-6924, or www.whitecg.com.
