White Construction Group Awarded Douglas County Evidence Technology Facility Project

CASTLE ROCK, Colo., March 28, 2005 – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build, historic restoration and tenant improvement projects, has been awarded the Douglas County Evidence Technology Facility project located on the southwest corner of U.S. Highway 85 and Meadows Parkway in Castle Rock, Colo. Tressa Saum will serve as project manager and Douglas Lee will serve as superintendent.

The 21,000-square-foot project involves the construction of a one-story metal building on the north end, connecting to a two-story concrete masonry unit building on the south end. The metal building will house the Douglas County Sheriff's department emergency vehicles. The CMU building will consist of storage areas on the lower level, with evidence storage on the upper level for the Douglas County Sheriff's department. The project is valued at \$2,359,000 and will be completed in December 2005.

Project partners include:

- Client: Douglas County Public Works, Castle Rock, Colo.
- Architect: DLH Architecture, Castle Rock, Colo.

- more -
