## **White Construction Group Announces Completion of Douglas County Evidence Technology Building in Castle Rock**

*CASTLE ROCK, Colo., May 3, 2006* – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build, historic restorations and tenant improvement projects, announces the completion of the Douglas County Evidence Technology Building in Castle Rock, Colo.

This state-of-the-art, 21,000-square-foot showpiece will be used for evidence storage and processing and will house the Douglas County Sheriff's department emergency vehicles. This is a two-story, composite masonry and metal building and is located on the southwest corner of Highway 85 and Meadows Parkway. The project manager was Doug Decker and the superintendent was Doug Lee.

Project partners include:

- Owner: Douglas County Government Public Works
- Architect: DLH Architecture, Castle Rock, Colo.
