White Construction Group Awarded Jefferson County Schools Project

CASTLE ROCK, Colo., May 8, 2009 – White Construction Group, a Colorado-based commercial general construction firm, was recently awarded Jefferson County Schools improvements project.

The project involves architectural and mechanical upgrades to seven district schools: Bell Middle School, Dennison Elementary School, Evergreen High School, Green Mountain Elementary School, Lakewood Memorial Stadium, Slater Elementary School, and Stevens Elementary School. The White Construction Group Project Team: Angela Price, project manager; Jeff Don, superintendent; Suzie Middleton, project coordinator. Project partners include: Jefferson County Public School District R-1, owner; and Mellin & Associates, P.C., architect. The project is expected to be complete in August.

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic restorations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along the Front Range, northern and northeastern Colorado. To date the company has completed nearly one half billion dollars in construction projects and has won several national awards for its job safety programs. White Construction Group can be reached at (303) 688-6924, or www.whitecg.com.
