Gary Dominguez Joins White Construction Group

CASTLE ROCK, Colo., June 19, 2007 – White Construction Group, a Colorado-based commercial general contractor, announces the addition of Gary Dominguez as Senior Project Manager.

Dominguez joins White Construction Group with over 25 years experience in the construction industry. His responsibilities will encompass the coordination of site improvement plans, business development and project management.

Dominguez holds a Bachelor of Science degree in Construction Science from Kansas State University. He volunteers his time in the community as a board member for the Hispanic Contractors of Colorado; as a volunteer for Habitat for Humanity; and as an assistant scoutmaster for the Boy Scouts of America.

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic restorations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along the Front Range, northern and northeastern Colorado. To date, the company has completed over \$425 million in construction projects and has won several national awards for its job safety programs.
