**WHITE CONSTRUCTION GROUP AWARDED
SLOAN'S LAKE MARINA PROJECT**

CASTLE ROCK, Colo., June 23, 2010 –White Construction Group, a Colorado-based commercial general construction firm was recently awarded the Sloan's Lake Park Maintenance Marina Improvements for the City and County of Denver.

This project involves the renovation of the Jetty and Marina with a concrete promenade, shade structures, new marine fish habitats a new irrigation pump, pumphouse building, renovated restrooms, and a water quality area with art work. The marina will be drained for the majority of the project.

URS Corporation of Denver, Colo., is the engineer for this project and the Owner is the City and County of Denver. White Construction Group's project team includes Courtney White, project manager; Frank Garrett, superintendent; Vanessa Portocarrero, project engineer. The completion is expected Oct 2010.

Celebrating its twenty-fifth year, White Construction Group is a multi-million dollar general contractor that specializes in commercial construction, design-build, historic restorations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post construction services for public and private clients throughout Colorado. The company has received numerous construction and job safety program awards. White Construction Group can be reached at 303-688-6924 or www.whitecg.com.
