White Construction Group Begins Copper Mountain Fire Station

CASTLE ROCK, Colo., June 26, 2008 –White Construction Group, a Colorado-based commercial general construction firm, recently began construction on the Copper Mountain Fire Station in Copper Mountain, Colo,

The project consists of a 28,000 sq-ft. new building to house Copper Mountain Fire Station No. 1 and the Copper Mountain Consolidated Metropolitan District Offices. The project is expected to be completed Summer 2009.

The project manager is Seth Noble; project superintendent is Lanny Bennett; and the project coordinator is Michelle Anderson. Project partners include:

- Owner: Copper Mountain Consolidated Metropolitan District, Copper Mountain, Colo.
- Architect: Pahl Architecture, Denver, Colo.

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic restorations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along the Front Range, northern and northeastern Colorado. To date the company has completed over \$450 million in construction projects and has won several national awards for its job safety programs. White Construction Group can be reached at (303) 688-6924, or www.whitecg.com.
