White Construction Group Begins Construction on Ken Caryl Automotive in Littleton

CASTLE ROCK, Colo., June 9, 2006 – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build, historic restorations and tenant improvement projects, has begun work on Ken Caryl Automotive in Littleton, Colo.

This project consists of two automotive retail buildings. Each building will be constructed on reinforced concrete block. The exterior will be cultured stone with red brick trim. The project is valued at \$2.1 million. The project manager is Steve DeThomas and the superintendent is Doug Lee. Project partners include:

- Owner: PFEOD, LLC, Castle Rock, Colo.
- Architect: Commercial Building Services, Loveland, Colo.

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic restorations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along the Front Range, northern and northeastern Colorado. To date, the company has completed more than \$400 million in construction projects and has won several national awards for its job safety programs. White Construction Group can be reached at (303) 688-6924, or www.whitecg.com.
