## **White Construction Group Completes Construction of Guaranty Bank in Parker**

*CASTLE ROCK, Colo., July 18, 2005* – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build, historic restorations and tenant improvement projects, today announced that it has completed the construction of the Guaranty Bank and Trust Company (formerly First National Bank) building in Parker, Colo. Tressa Saum served as project manager and Jim Lang served as project superintendent. The project is valued at \$2.8 million.

The new, 13,330-square-foot, financial facility features upscale design with maple trim throughout, aluminum storefront, upgraded wallpaper, slate flooring and countertops, slate roof, and a central skylight that incorporates acoustical ceiling, specialized lighting and hand-cut glass from Canada. Additional features include bulletproof paneling, a vault, an underground delivery system for clients using the drive-up facility, and a snow-melt system at the drive-up facility.

Project partners include:

- Client: Guaranty Bank and Trust Company
- Architect: Pahl-Pahl-Pahl Architects/Planners
