**WHITE CONSTRUCTION GROUP AWARDED
RTD MAINTENANCE FACILITY, FREIGHT BUILDING, AND FIRE STATION NO. 5**

CASTLE ROCK, Colo., July 8, 2010 –White Construction Group, a Colorado-based commercial general construction firm is starting work on several new projects.

The first project is the Light Rail Maintenance Facility Enhancements for the Regional Transportation District (RTD). This two-phased project involves improvements to the Elati and Mariposa Light Rail Maintenance Facilities. The architect for the project is AECOM of Denver. The White Construction Group team includes: Rodney Grabow, sr. project manager; Dave Maxey, superintendent; Suzie Middleton, project coordinator. The completion is expected June 2011.

The second project is the renovation of the existing 29, 891 sq-ft Freight Building part of downtown's innovative Taxi Building off Ringsby Court. The project Owner is Zeppelin Development; the Architect is Stephen Dynia Architects pc, Jackson, Wyo; and the White Construction Group team includes: Doug Decker, project manager; Lanny Bennett, superintendent; and Vanessa Portocarrero as project engineer. The completion is expected Dec. 2010.
