## **White Construction Group Announces Completion of Black Hawk Post Office and Commercial Building**

*CASTLE ROCK, Colo., September 7, 2006* – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build, historic restoration and tenant improvement projects, announces the completion of Black Hawk Post Office and Commercial Building.

The project involved the construction of a 3,822-square-foot, single-story United States Post Office building and a 4,908-square-foot, two-story commercial building.

Both buildings are wood-framed construction and feature high-end, natural stone veneer. Construction included tenant improvements to house a credit union, site and utility work for both buildings, and Colorado State Highway 119 improvements, including curb and gutter work, asphalt paving, sidewalks, and extension of the storm sewer. The project included an 85-foot-high sculptured rock wall behind both buildings. The combined value of the projects is \$3.7 million. The project manager was Courtney White; project superintendent was Larry Itzen; project engineer was Kriss Mavis.

Project partners include:

- Client: City of Black Hawk, Black Hawk, Colo.
- Architect: PEH Architects, Boulder, Colo.
