White Construction Group Announces Contract for Construction of a New Building for the Community Bank of Centennial

CASTLE ROCK, Colo., July 16, 2004 – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build and historic restoration projects, announced that it has been commissioned to build the Community Bank of Centennial. Work began on the project last week and is expected to be completed by January of 2005.

Project partners include:

- Client: 1st National Bank of Yuma
- Architect: Duff Associates Architecture

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build projects and historic renovations. The company provides everything from project management and pre-construction services to construction and follow-up warranty management for public and private clients along the Front Range and northeastern Colorado. White Construction Group can be reached at (303) 688-6924, or www.whitecg.com.
