White Construction Group Announces Contract for Construction on the East Morgan County Hospital

CASTLE ROCK, Colo., Aug. 2, 2004 – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build and historic restoration projects, announced that it has been commissioned to build the addition to the East Morgan County Hospital in Brush, Colorado. President and Owner of White Construction Group stated "This is the fourth project that we have constructed for Banner Health and our employees and subcontractors appreciate Banner's expression of confidence. We especially look forward to working with the East Morgan County Hospital Board and staff." White Construction Group currently is beginning the design phase with Banner Health before breaking ground for the new addition. The expected completion date is set for March of 2005.

Project partners include:

- Client: Banner Health Systems
- Architect: Klump Architecture
- White Construction Group Team: Frank Garrett – Project Superintendent

Seth Noble – Project Manager

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build projects and historic renovations. The company provides everything from project management and pre-construction services to construction and follow-up warranty management for public and private clients along the Front Range and northeastern Colorado. White Construction Group can be reached at (303) 688-6924, (970) 842-3046, or www.whitecg.com.
