White Construction Group Announces Contract for Construction of a New Building for the Christ's Episcopal Church

CASTLE ROCK, Colo., July 19, 2004 – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build and historic restoration projects, announced that it has been commissioned to build the new Christ's Episcopal Church New Sacred Center in Castle Rock. The project, valued at \$1.6 million, got an early July start and is set to be completed by March of 2005.

Project partners include:

- Client: Christ Episcopal Church
- Architect: Fennell Group
- White Construction Group Team: Lynn McQuality – Project Superintendent
Steve De Thomas – Project Manager
Tina Backes –Administrative Assistant

About White Construction Group

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build projects and historic renovations. The company provides everything from project management and pre-construction services to construction and follow-up warranty management for public and private clients along the Front Range and northeastern Colorado. White Construction Group can be reached at (303) 688-6924, or www.whitecg.com.
