White Construction Group Announces Upcoming Projects

CASTLE ROCK, Colo., June 28, 2004 – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build and historic restoration projects, announced a busy summer with more than \$12 million in projects commencing construction within the next 60 days.

White Construction has broken ground on a new building for the First National Bank in Parker. The project is valued at \$2.8 million and will include construction of a new building for the bank.

Project partners include:

- Client: First National Bank
- Architect: Pahl-Pahl-Pahl

White Construction Group also will begin work on a new building for the Community Bank of Centennial in early July.

Project Partners include:

- Client: 1st National Bank of Yuma
- Architect: Duff Associates Architecture

Additional projects soon to break ground will include: the Renaissance Academy of Colorado Springs, working with the Florin Group; the Saddle Rock Retail Center in Aurora, working with See Architecture; and the Christ Episcopal Church in Castle Rock, with the Fennell Group.
