White Construction Group Adds New Staff Members

CASTLE ROCK and BRUSH, Colo., May 25, 2004 – White Construction Group (formerly Ash & White Construction Co.), a Colorado-based construction firm specializing in commercial construction, design-build and historic restoration projects, announced today that it has added four staff members in project management, project coordination and administration. The following staff members have joined the company.

Steve De Thomas – Project Manager

Steve De Thomas has more than 37 years of experience in construction management and estimating. In the course of his lengthy career, he has held the following positions: senior estimator/project manager for Greystar Construction West LLC, director of operations/pre-construction services – Porter Companies, LLC; project manager – Heery International, Inc.; senior project manager – Haselden Construction, Inc.; vice president/board member/senior project manager – Kajima Engineering and Construction; and more. De Thomas earned an associate's degree in business administration from Glendale City College in 1966, and studied business administration from California State Polytechnic College. De Thomas will be based at White Construction Group's Castle Rock headquarters.

Kendra Lane – Executive Assistant

Kendra Lane has joined the company as executive assistant to company president and founder Tim White. Most recently, she served as an inside sales agent for Illumination Systems, a Denver-based lighting representative agency. Lane also has held positions as a purchasing agent and office manager for Pullman Electrical Supply Co., of Denver, and as a customer service representative and executive assistant to Mr. Yattaw of Yattaw & Associates. Lane studied business administration at Arapahoe Community College, along with pre-nursing studies at College of Saint Mary in Omaha, and Regis University in Denver. Lane will be working at White Construction Group's Castle Rock headquarters.

Tina Backes – Project Coordinator

Tina Backes joins White Construction Group as a project coordinator. In this role, she will be responsible for assisting White Construction Group's project managers with project administration and subcontractor relations. Backes has a wealth of management, customer service and administration experience. She has held administrative and management positions, including reservations manager for Alpine Ski & Sun Holidays, administrative assistant for Whitewood Ski Tours; and administrative assistant for Colorado Soil, a soil engineering firm. She was born and raised in Germany and has worked in racing promotions for Kawasaki Motoren GmbH, and in reservations for Delta Air Lines' Frankfurt office. She earned a degree in Business and Management from University of Maryland, Munich Campus in 1991. Backes will be working at White Construction Group's Castle Rock headquarters.

Chantil Iungerich – Project Coordinator

Chantil Iungerich has joined the firm as a project coordinator. In this role, she will be responsible for preparing pre-qualification documentation, handling subcontractor relations and assisting with various other marketing and business development initiatives. Iungerich served as a public relations intern for the Colorado State University Hartshorn Health Center and Morgan County 4-H. She graduated from Colorado State University with a bachelor of arts in technical journalism, and a concentration in public relations. Iungerich will be working at White Construction Group's northeastern Colorado office located in Brush.

About White Construction Group

Founded in 1985 as T.L. White & Associates (subsequently renamed Ash & White Construction Co.), White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build, historic renovations and tenant improvement projects. The company provides pre-construction, construction management, general construction and post-construction services for public and private clients along Front Range and northeastern Colorado. To date, the company has completed more than \$300 million in construction projects and has won several national awards for its job safety programs. White Construction Group can be reached at (303) 688-6924, or www.whitecg.com.
