## **White Construction Group Announces Commencement Of Two New Projects**

*CASTLE ROCK, Colo., Aug. 2, 2004* – White Construction Group, a Colorado-based construction firm specializing in commercial construction, design-build and historic restoration projects, is launching construction on both the Paint Brush Park (Phase 3) in Castle Rock and the Carlson Building in Elizabeth.

Paint Brush Park will be an expansion of the existing park including new volleyball pits, playground equipment and champion horseshoe pits. The expected completion date is set for late October.

Project partners include:

- Client and Architect: Town of Castle Rock

Renovations will begin Monday, August 2 on the historical Carlson Building in Elizabeth. This historic structure was recently acquired by the Elbert County Library and is used for a variety of community activities ranging from karate to church services. Construction is planned to be complete September 30.

Project Partners include:

- Client: Jan Gabrath, Elbert County Library District
- Architect: HumphriesPoli Architects, P.C.

### **About White Construction Group**

Founded in 1985, White Construction Group is a fast-growing, multi-million-dollar general contractor that specializes in commercial construction, design-build projects and historic renovations. The company provides everything from project management and pre-construction services to construction and follow-

up warranty management for public and private clients along the Front Range and northeastern Colorado. White Construction Group can be reached at (303) 688-6924, or [www.whitecg.com](http://www.whitecg.com).
